Free resources for lean materials

All of these resources are great supplemental learning, but nothing takes the place of doing, so implement the principles learned wherever possible. If you are looking for something specific don't hesitate to ask me at brandonruggles@gmail.com.

Blogs (There are many others, but these the ones I try to read daily)

- <http://www.leanblog.org/>
- <http://www.evolvingexcellence.com/>
- <http://leaninsider.productivitypress.com/>
- <http://trainingwithinindustry.blogspot.com/>

Podcasts (these three are my favorites, and can all be subscribed to on iTunes)

- <http://www.leanblog.org/2006/07/leanblog-podcast-main-page.html>
- <http://www.boschrexrothproducts.com/podcasts/BoschRexrothPodcast.xml>
- <http://leanthinkingnetwork.com/category/competing/>

Forums (Most of the forums are pretty dead, but this one is good)

- <http://www.lean.org/FuseTalk/Forum/Index.cfm>

Articles (There are tons of resources for articles, but I have listed my favorite two)

- <http://www.lean.org/Community/Resources/Archives.cfm>
- <http://search.ebscohost.com/login.aspx?authtype=ip,cookie,url,uid&profile=bsi>
For Ebscohost to work you need to be logged into the USU VPN, and you will have to search for what you are looking for.
